WELCOME

Dear Golfers,

Like many of you, when I hit my first pure shot, I was hooked on the greatest game ever. I wanted to play the best courses that I could and develop my game as far as I could. Over the years I have been privileged to play all over the world, in China, Thailand, India, USA, the UK and in Europe.

Up until now it was never possible to play multiple courses in different countries in one trip because of the logistics involved, yet there were still so many beautiful courses that were on my list to play.

Searching for an answer of how to create the ultimate golf holiday led me to partner up with the most innovative river cruise company in the world, AmaWaterways. It is a marriage made in heaven, combining the best golf courses with the best river cruises in Europe and Asia.

I have based the selection criteria on the same aspects that I would want for my own holiday, selecting golf courses that have hosted a professional tour event or has qualified as a leading golf course. We use three testing criteria **1) Customer Experience 2) Course Quality and 3) Playability**. Both the stringent quality of the courses as well as the guest experience are paramount to selecting the venues. All of the courses have been tested by LGT Golf and I am continuously testing and visiting new venues for future programs. We also test the courses from the ladies tees, as there is more to a golf holiday than the championship tees, and we want to ensure that everyone has a fantastic experience.

The AmaWaterways Ships have been rated as the best on Europe's Rivers, and they are certainly worth every rating. The staff, the food and the experience is simply excellent, relaxing and fun. I recommend taking a stateroom with a twin Balcony to get the most out of the experience. Gourmet food and wine await your culinary delight on these amazing ships

On my travels, I realised that a great golfing holiday is one where we don't need to deal with the mundane aspects of organising tee times, transportation, club cleaning and so on. So that's why we created the **LGT Golf Concierge** which forms an integral part

of the package. Your clubs go **"Hands Free"** and the Van and concierge follows the ship throughout your cruise, taking care of you. **Club Cleaning** happens after every round, so you will enjoy a perfect round.

Everything will have been arranged in advance for you – your tee time, practice balls for your warm up and your pull trolleys. After your round, you will enjoy lunch in the clubhouse returning you to your luxury river cruise ship, even if it has moved on to its next stop.

LGT Golf and AmaWaterways are working hard to make this the ultimate golf trip. Personally, I hope to share the passion and love for the great game of golf with you on one of these stunning itineraries.

The Enchanting Rhine Golf Tour features 5 championship venues in 4 Countries over 11 days, with an additional bonus course of the Links short course in Cologne. The start and finish of the tour are in 2 of Europe's most iconic cities, Amsterdam and Zurich, and we start the Tour off in style with a Michelin Star Restaurant welcome dinner.

I look forward to playing alongside you in the near future!

THE ENCHANTING GOLF TOUR

HILVERSUMSCHE GOLF CLUB

Championship Course
Hilversum, Netherlands
Host of the KLM Open

This club is one of the most exclusive in the Netherlands and celebrated its 100th anniversary in 2010. In recent years, the course, located in the Kievitsdal, has been renovated by architect Kyle Phillips, with the original landscape and aspects of the former architect Harry S. Colt being retained wherever possible. In 2010, all renovations were completed for the Hilversumsche Golf Club to host the KLM Dutch Open for the 25th time. Ranked 49th in Europe, the heathland course of the Hilversumsche last hosted the Dutch Open from 2010 - 2012 with Martin Kaymer, Simon Dyson and Peter Hanson each triumphant over the beautiful Phillips and Colt designs.

THE ENCHANTING GOLF TOUR

COLOGNE GOLF CLUB

Golf Club Köln - Links Course
Cologne, Germany

The Cologne Golf Club is a mere 8000 meters from the river as the crow flies and boasts 3 golf courses, The Championship course, the Links short course and a par 3 course. Our days golfing will head to the 18 hole links course. Its only a par 63, but its mixture of holes will challenge you to play well to beat your handicap. undulating greens and fairways give this wonderful course its links feeling and is perfect for our short stay in Cologne.

Designed by Germany's Heinz Fehring, the club is already ranked 22nd in Germany and offers players of all abilities to test their skills.

GOLF SOCIETEIT LAGE VUURSCHÉ

Championship Course
Den Dolder, Netherlands
Kyle Phillips Design

The Golsociëteit De Lage Vuursche layout was fashioned by Kyle Phillips and it opened for play in the year 2000. This was an ambitious restoration project which aimed to revert flat farmland back to its former glory of rolling terrain flanked by woodland. The result is that Lage Vuursche has found its level as one of Holland's premier courses that stretches out beyond 6,900 yards from the tips.

Serpentine shaped canals and a number of lakes come into play on twelve holes with adroit and sometimes raised bunkering waiting to catch the errant shot. The large greens should be easy to find but it takes courage to block so many prominent hazards from your mind. Newly planted trees naturally require time to mature but already they are adding to the challenge and the appeal of Lage Vuursche.

MAINZER GOLF CLUB

Championship Course
Budenheim, Germany

This hidden masterpiece is quickly climbing up the rankings of rated golf courses in Germany, to our dismay as we liked the fact that it was a secret. The course is massively underrated and a design genius. Effectively 2 loops of 9, called Canyon and Panorama. The front 9, Canyon offers 9 brilliantly designed holes on the site of a former quarry, while the back 9 Panorama offers beautiful views of the Rheingau wine region. Exemplary service and maintenance rounds up an extremely pleasurable round of golf.

THE ENCHANTING GOLF TOUR

GOLF CLUB LE KEMPFERHOF

Championship Course
Plobsheim, France

Ranked 49th in continental Europe, this 1990 Robert von Hagge design is one of the most beautiful courses in the Alsace region. Situated in a beautiful 85 Hectare park, the 19th century former hunting lodge doubles as the Golf Club. Plenty of water and bold bunkering typify this very challenging golf course. Situated just a few miles south of the capital city of Europe, Strasbourg, the course is the perfect complement to the region.

CLUB GOLF BASEL ST APPOLINAIRE

Championship Course
Folgensbourg, France

Measuring 6,800 meters from its longest tees, this 18-hole par 72 championship course shows its tournament class. Thanks to 5 strongly staggered tee boxes, the course also offers recreational golfers the chance to enjoy a relaxed round from the front tees.

Every hole has its own unmistakable character and associated strategy. The large, decisive water hazards and bunkers guarantee an exciting round of golf in the former fruit garden of the Cistercian monks who built the monastery in the 12th century.

RHINE RIVER GUIDE

GOLF CLUB SEMPACHER SEE

Lakeside Course
Sempach, Switzerland

The 18-hole championship course Lakeside, par 70, developed by the internationally renowned golf course architect Kurt Rossknecht, offers every golfer spectacular golf in the most scenic location.

The course, with a length of 5591 m, is a golf experience of a special kind. The 18 holes not only lead around the glamorous club building of the Golf Sempach courses, but also offer an unobstructed view of the Alpine panorama and Lake Sempach. Technically demanding greens and the highest level of golfing enjoyment are guaranteed here.

LIBRARY

FEELS LIKE A FAMILY

Cruise after cruise, our guests tell us what a wonderful experience they had with us. It could be the way they were greeted on board, with a glass of champagne and a scarlet rose from the captain. Maybe it was the waiter that remembered their names and drink of choice at dinner, or the chef at breakfast who knew how they liked their omelette. It could be the Cruise Manager that planned something special for a wedding anniversary, or the refreshing drink and chilled towel that awaited them after a day of sightseeing. Our staff is committed to the happiness of our guests, and special touches like these are what really stand out and make you feel like you're surrounded by family.

THE SHIPS - PUBLIC SPACES

PUBLIC SPACES

With fewer guests on board, we have space for luxurious amenities. Relax with a soothing massage after a day of exploring, stay in shape with a small group wellness activity led by a professionally trained Wellness Host, work out in the fitness room or watch breathtaking castles glide by while enjoying a cocktail up on the Sun Deck. You can also take a dip in our sun-deck pool with a swim-up bar. On any of our ships, you can also recharge from the comfort of your stateroom by watching a Hollywood blockbuster or a variety of other English-language programming on your personal Entertainment-On-Demand system.

SIMPLY THE BEST

A proactive approach to exceeding expectations is a hallmark of the AmaWaterways experience. Since we have a higher staff-to-guest ratio on our ships, our team can fully dedicate themselves to providing each of our guests with the highest level of service. From the time you book your cruise to the time you board your flight home, you will be treated to an exceptional hospitality experience.

At AmaWaterways, we only hire the best of the best. Each member of our crew — whether it's a stateroom steward or a Cruise Manager — is an expertly-trained professional with a passion for what they do and a commitment to excellence. We consider our guests part of the AmaWaterways family, and we work hard to make sure you feel that way the entire time you're with us.

THE SHIPS - AMAWATERWAYS

SPECIAL MOMENTS ON YOUR PRIVATE BALCONY

MORE ROOM, BETTER VIEWS

Every feature in an AmaWaterways stateroom was thoughtfully conceived with the comfort of our guests in mind. Our staterooms start at 160 square feet, and suites can be as large as 350 square feet, giving you more space to sit back and relax in between meals and explorations. Artfully crafted to a first-class standard, each room is equipped with innovative designs, plush bedding, multi-jet showerheads, and many other special touches that make you feel like you're getting the royal treatment. Most of our staterooms have a balcony — or two — so you can enjoy stunning views of the magnificent sights along the river's edge.

Your stateroom was designed to ensure that you travel in luxury from one stunning destination to the next. Set the climate control to your preference and slip into a terrycloth bathrobe as you unwind. Open your French or outside balcony (or both) and feel the soothing breeze come in off the river. Turn on our Entertainment on Demand system and put on a newly released movie, or watch some TV. Switch your flat-screen monitor into computer mode and hop on the internet to post your adventures on Facebook or email friends and loved ones back home. Use the desk to write a special note on one of our postcards — we'll mail it back for you free of charge. Your spacious stateroom is yours to relax in and enjoy as you see fit.

THE FOOD EXPERIENCE

GOURMET DINING

AmaWaterways' expert chefs craft menus that feature exquisite, locally-inspired cuisine as well as traditional, Western offerings. At breakfast, sip sparkling wine as you partake of the buffet and fresh pastries, or opt for something made-to-order from the menu. Stop by the Main Lounge for a light lunch, or head to the restaurant for full menu service and high-quality regional wine or beer. Dinner is a delectable, multi-course affair with wine recommendations that accompany visually stunning, delicious dishes. Try local favorites — like goulash while cruising through Hungary, bratwurst and sauerkraut after returning to the ship from Vienna, or Camembert cheese while on the Seine — or something more familiar, like a sandwich. No matter what your preference, your taste buds are sure to be impressed.

You will enjoy complimentary, unlimited wine, beer and soft drinks during lunch and dinner (as well as sparkling wine and fresh-squeezed juices during breakfast). We hand pick only the highest quality wines and pair them with our cuisine.

"The food and service is what most passengers remember after their cruise, because this company spends more on food and wine than most. This is for anyone seeking excellence." - Douglas Ward, Berlitz River Cruising in Europe

CUISINE WITH A VIEW

Join a few of your fellow travelers at The Chef's Table, where the kitchen — usually hidden — becomes part of the entertainment. You'll have the opportunity to watch the chef prepare a special, multi-course meal right in front of you. The menu here is unique, making this a truly distinct gastronomic experience. Indulge in delectable dishes paired with unlimited fine wines, hand-selected just for this dinner.

Seating at most 28 guests, it is an intimate, private venue secluded from the rest of the ship. With just you and a handful of other people, this is a fantastic atmosphere for meeting fellow travelers and making new friends over an exceptional dinner. There is no additional cost to dine at The Chef's Table — all you have to do is make a reservation.

It's the only venue of its kind on the river — an exclusive specialty dining experience that's included in the cruise fare.

MICHELIN STAR WELCOME DINNER

MICHELIN STAR DINNER

Enjoy a dinner at one of the best restaurants in Amsterdam. Sample the pleasure of a 6 course tasting menu at the Vermeer Restaurant. While you are teased with 6 exquisite courses from the chef's celebrated tasting menu, you may choose a wine to accompany your meal or a different one for each course - its left to your discretion.

Should the restaurant be unavailable on your date, we have several other Michelin starred restaurants available and the restaurant will be confirmed upon final payment.
